Dear Ms. Benitz:

In response to the issue addressed in your letter:

--Our current PAC software vendor is Aristotle publishing. We have informed them of the issue we have with their software showing all contributions counting against the aggregate total of each participant. We need to rewrite our payroll import routine to accommodate your request, and we are currently in the process of changing the system. Please accept our apologise as we try to put together a new system.

Please contact me at 612.973.0324 if I can answer any questions.

Sincerely,

Angela Tangen
Treasurer
